Highschool Diploma 2017 - 2021

Estevan Comprehensive Highschool, Estevan, SK

SUMMARY OF SKILLS

Technical:

- Experience with Python, Java, C
- Version control with GIT
- Knowledge of software development methodologies (Agile, Waterfall, Spiral)
- Full-stack web development in Javascript, ReactJS, HTML, CSS, HTTP requests, SQL
- Knowledgeable with data structures and algorithms
- Basic knowledge of Figma designs

Interpersonal:

- Able to cooperate and accomplish tasks within a group
- Great communication skills
- Experience with providing adequate customer service
- Comfortable with any form of communications

PROJECTS

Simple Calculator

Personal Project

Implemented a calculator that calculates simple expressions, which allows the user to go back and see past, inputted expressions

- Developed using HTML, CSS, and Javascript. Which also used a separate library called Math.js, which is used to calculate the expressions
- Entirely programmed on an individual basis
- Applied regression testing on implemented classes

TO-DO List

Personal Project

Implemented a TO-DO List, that keeps track of simple tasks to do for the day. That allows the creation and deletion of tasks by the user

- Developed using HTML, CSS, and Javascript
- Individually programmed
- Made use of DOM manipulation

WORK EXPERIENCE

Part-Time car wash attendant

January 2023 - August 2023

Pristine Carwash, Saskatoon, SK

- Demonstrated problem-solving skills by swiftly coming up with a solution to problems regarding a broken machine, during store rush hours
- Excelled at customer service satisfaction by meeting the customer's needs, when the customers had concerns during their wash at Pristine

Part-Time Front Staff

October 2017-August 2021

A&W, Estevan, SK

- Efficiently managed a team of up to three employees, using communication skills to facilitate effective flow of information across multiple job functions
- Demonstrated customer satisfaction by swiftly and efficiently entering the customer's orders through the machine, during store rush hours
